Contract Advertising

The NUMISMATIC ADVERTISER seeks contract advertising to commence with our fourth issue or any subsequent issue. We offer contracts for 13 insertions at a discount of 15 per cent from our regular rates, and contracts for 26 insertions at a discount of 20 per cent from our regular rates which appear elsewhere on this page. Contracts for 13 insertions may be for consecutive issues every 2nd issue, or every 4th issue. Contracts for 26 insertions may be for consecutive issues or for every 2nd issue. On contract advertising specific positions in our paper—other than our front page—may be bought. This will be on a first come, first served basis with the provision that where requests for the same position are received in the same mail from two advertisers, preference will be given to an advertiser who bought space in our first three issues. Any size space may be contracted for.

On contract advertising you do NOT pay for all 13 or 26 insertions in advance. Pay for each advertisement as it is submitted.

NOTICE—Please notify us of any change of address. This paper will not be forwarded. — Thanks.

A PERSONAL NOTE —

Our paper is being printed for us by the Whitehaven Press, located in Whitehaven, Tenn., a suburb of Memphis. The offset printing method is used which allows for a great variety of type styles and makes what we think is a very attractive publication.

Until more permanent quarters are obtained the paper is being edited and published from an apartment at 1263 Laudeen St., just a couple of blocks away from our printing plant.

Your publisher is a former newspaperman and as a free lance writer has sold both articles and fiction to national publications. He is now devoting his full time to the publication of this paper.

ADVERTISERS PLEASE NOTE—

There has been some misunderstanding about our contract advertising. When you contract for 13 or 26 insertions to obtain the 15% or 20% discount, you do NOT have to pay for all 13 or 26 insertions at once. You pay for each ad as you submit it. The discount applies because you have contracted to take a specific amount of space on a regular basis.

TO OUR CANADIAN FRIENDS—

Subscriptions in Canada are \$3.50 per year. This is necessary because we cannot mail this paper to Canada under our bulk rates permit, and it costs us 4¢ per copy to mail it. We accepted some subscriptions at \$2.00 per year because we overlooked giving the price difference in some of our advertising, but since it costs us \$2.10 a year to mail the paper we cannot accept any more subscriptions from Canada at less than \$3.50 per year.

COIN CLUBS

We will still endeavor to send free sample copies of the Numismatic Advertiser to all your members if you will send us your membership list.

NOTICE!

Our forms close on Friday for advertising for the next Friday's issue.
